

ABOUT ALPINE HOMECARE

Established in 2000, family-owned Alpine Homecare, LLC provides high-quality home care services in the Denver metro area. For over a decade and a half Alpine has been in the forefront of supporting and caring for individuals in the privacy of their homes. With currently over 400 experienced personal care providers, Alpine is one of the largest, family-owned home care agencies in Denver.

Our large pool of professional care givers, including a significant number of bilingual providers, creates many benefits for our clients, including:

- Better and faster **matching of clients with the right care givers**,
- Providing **swift replacement care**, when necessary, and
- **Providing services in our client's native language**, whether its English, Spanish, Russian or any other languages we offer.

Alpine Homecare is licensed by the Colorado Department of Public Health and a certified agency in the State of Colorado Medicaid Program.

- **Alpine's services are completely free for Medicaid clients** (under Medicaid's long-term care / HCBS program). We can help you with the application process! And for those who do not qualify for Medicaid, we have very affordable private pay rates!
- **Relative Personal Care Services (Medicaid only):** Alpine's services can, under certain circumstances, also be provided by a client's relative, allowing them to be compensated for the care they provide to a loved one!
- **Alpine offers free application assistance** to prospective clients. We help you apply for the Medicaid program, as well as for a variety of other programs, including disability, food stamps, financial assistance, housing assistance, HCBS & more.
- **Alpine has a highly efficient, multi-lingual intake team** with staff members who can visit you at home or at a clinic/hospital prior to your release back home. Equipped with portable scanners, we can scan the required documents on the spot in order to start the intake and application process without delay. All we need to get started is your name and phone number.
